

WALLA WALLA DIVERSITY COALITION

Dear Friend of Diversity:

You are invited to be a vendor at the **17th annual Diversity Day Multicultural Arts Festival** in Walla Walla. The festival will be at Pioneer Park in Walla Walla on **June 20, 2010 (Father's Day)**. It opens at 11 a.m. and continues until 6 p.m.

High quality entertainment is planned throughout the day, including music and dance performances reflecting the traditions and artistic influences of diverse cultures and nationalities. A wide array of games and activities for youngsters and young adults make the festival an enjoyable experience for the entire family. The festival's upbeat and joyous atmosphere increases respect and appreciation while encouraging spontaneous, friendly interaction between people of all races and all cultures.

Vendor space is available to all those interested in furthering the goal of the Diversity Coalition: promoting communication, respect and understanding among the diverse groups in this area. See the enclosed application for more information.

We would like to have your application by May 27 so that your business can be included in our publicity. Or, to avoid a late fee, postmark your application before June 3.

The final deadline for ALL applications is Sunday, June 13.

- Please remember to sign the waiver on the back of your application before sending it to us.
- Also, please save the important vendor information (**including health department information**) on the back of this letter.

Please let the Diversity Coalition know how you would like to participate in the success of this year's festival. We look forward to your participation in an event that is great fun, and makes our community a more welcoming and interesting place.

(If you have a permit for the Farmer's Market you still need another permit for Diversity Day.) Each food booth needs at least one person with a food handler's card (two are recommended). Baked goods may have different rules; call and ask. Hazardous food (such as meat, eggs, beans) require more expensive food service permits. The health department will make inspections the day of the event (but will not issue permits.) BE PREPARED. PLAN AHEAD.*
